

**STATE OF ARKANSAS
SECURITIES DEPARTMENT**

IN THE MATTER OF

ARKANSAS HOUSEWORKS, INC.

ORDER PROVIDING A
TRANSACTIONAL EXMPTION
FROM REGISTRATION
ORDER NO. 07-80007275-OR007

FINDINGS OF FACT

1. On August 23, 2007, a letter was received by the Arkansas Securities Commissioner requesting that the proposed offering and sale representing 64.02% of the issued and outstanding capital stock (the "Stock") of Arkansas Houseworks, Inc. (the "Company") (the "Transaction"), be determined to be an exempt transaction pursuant to Ark. Code Ann. § 23-42-504(a)(12).

2. The Company is a corporation organized under the laws of the State of Arkansas. The proposed Transaction consists of the following:

The Buyers consist of Mr. Loren Neil Peterson(Neil), Mr. Roger Peterson (Roger) and the Corporation itself purchasing for treasury stock. The Seller is Nicholas Chaich, who holds 5000 shares in the Company, which represents all of the issued and outstanding shares. The details of the transaction are as follows:

Neil and Roger will each purchase 500 shares from the Seller at \$360 per share. The Corporation will redeem 3438 shares from the Seller at \$360 per share. The exchange will leave Seller holding 562 shares, Neil 500 shares and Roger 500 shares. The Corporation will have 3438 shares of treasury stock. Neil will pay Seller cash or equivalent of \$180,000, Roger will pay Seller cash or equivalent of \$180,000 and the Corporation will issue a note in the amount of \$792,000, amortizable over twelve years at 5.75% that will be personally guaranteed by the stockholders. The control of the Corporation after the transaction will be as follows:

Seller	35.98%
Neil	32.01%
Roger	32.01%

3. An exemption from registration has been requested pursuant to the Commissioner's discretionary authority under Ark. Code Ann. § 23-42-504(a)(12). All parties to the proposed Transaction have fully and completely been involved in the negotiation of an agreement for the sale of the Stock. The Buyers have represented themselves in these negotiations. Counsel has been engaged by the Seller to assist in completing the negotiated terms. The Buyers have had access to financial and other information concerning the Company as is necessary to make an informed investment decision. Based upon the foregoing, the Transaction is not the type the Arkansas Securities Act (the "Act") was designed to protect by requiring registration, particularly when what is involved is the sale of a business.

CONCLUSIONS OF LAW

1. Under § 23-42-504(a)(12) of the Act, the Commissioner may by order exempt certain transactions from § 23-42-501 and § 23-42-502 of the Act as not being necessary or appropriate in the public interest for the protection of investors.

2. It is not necessary or appropriate in the public interest for the protection of investors for the Seller to be required to register the Transaction under the Act for the purposes of the contemplated offering.

3. It is not necessary or appropriate in the public interest for the protection of investors for the Seller to be required to engage the services of a registered agent for the purpose of making sales of the Company's securities.

OPINION

In recognition of the representations made by the Seller, it appears registration of this offering of shares of common stock is unnecessary in this instance.

This Order does not exempt the Seller from the antifraud provisions of the Act.

ORDER

IT IS THEREFORE ORDERED that any securities of Arkansas Houseworks, Inc. offered or sold in Arkansas for the proposed Transaction, if offered and sold in compliance with the representations made in the letter of August 13, 2007, and in accordance with the Findings of Fact stated herein, shall be exempted from § 23-42-501 and § 23-42-502 of the Act.

WITNESS MY HAND AND SEAL this 29th day of August, 2007.

MICHAEL JOHNSON
SECURITIES COMMISSIONER
